

Riverview Retirement Community is seeking nurses for our Skilled Nursing Division! These positions will be responsible for providing excellent resident services including: assessing, planning, and coordinating the delivery of resident care. The nurse must demonstrate a comprehensive understanding of the contemporary psychosocial and nursing principles, while orchestrating the interdisciplinary plan of care. Nurse responsibilities also include building a resident care plan, delegating as appropriate to the skill level, knowledge, scope of practice of the individual, collaborating with physicians and other staff on resident care and treatment, maintains accurate records and resident documentation, and assists with resident admissions, transfers and discharges. The nurse must always maintain resident confidentiality and adhere to professional standards, policies and procedures, federal, state, and local requirements at all times

**Schedule:**

- Multiple positions available in our Care Center
- We offer: 8 hour and 12 hours shifts
- On-Call Available – Requires 2 worked shifts per month

**QUALIFICATIONS**

**Required:**

- Certified as a RN/LPN with the State of Washington at the time of application.
- CPR certified at the time of hire and maintained while employed.

**Preferred:**

- Ability to multitask and work in a team environment.
- Previous experience in skilled nursing.
